## **GRAND TARGHEE RESORT TO PARTICIPATE IN REGIONAL PROGRAM ON SUSTAINABILITY**

Grand Targhee Resort was one of eleven businesses recently selected to participate in the Yellowstone Business Partnerships' *UnCommon Sense* program. Yellowstone Business Partnership is a non-profit organization of businesses dedicated to preserving a healthy environment and shaping a prosperous and sustainable future for communities in the Yellowstone-Teton Region. *UnCommon Sense* is a two-year business training and peer-support program that helps businesses learn to prosper while also focusing on healthy environments and strong communities. "Sustainability includes three main components: economic vitality, environmental health and social cohesion. These are fundamental to the long-term success of any business," stated Christina Thomure, Director of Sustainable Operations. The first meeting with the group was recently held in Emigrant, MT and focused on initiating and managing organizational change.
