PEAKED MOUNTAIN CLOSED TO HIKING AND MOUNTAIN BIKING DURING JUNE LOGGING OPERATION.

Grand Targhee Resort, in preparation for future lift expansion on Peaked Mountain, is currently logging on Peaked as part of their Master Development Plan. The resort will utilize a helicopter logging method which minimizes ground disturbance. Woody Contracting, Inc out of Summerville, Oregon will coordinate this seven-day-a-week operation and it is expected to take approximately one month to complete, weather permitting.

Grand Targhee's Parking Lot Five, the old switchback road located just south of the base area, will become the helicopter staging area and will also be closed until the logging project is complete. Closure signs will be posted at trailheads on Peaked Mountain to indicate closed areas.

Grand Targhee Resort's Summer Season began on Saturday, June 2nd. For a complete list of summer activities, music festivals and special events, visit www.grandtarghee.com or call 1-800-TARGHEE (local @353-2300).
