

## **Huckleberry Patch Daycare at Grand Targhee Resort: Immunization Records and Medical/Religious Exemption Waiver Requirements.**

*For new or returning guests, all current documentation is required by drop off. These records/waivers are needed for compliance with the Wyoming Department of Health and Wyoming Department of Family Services.*

**If you are a Wyoming Resident:** please email us with your current Immunization Records or approved Medical/Religious Exemption Waiver from the WY Department of Health. Please note vaccine schedule information below.

**If you are not a Wyoming Resident:** You may send in your child's immunization records from your State. We will still need to follow the Immunization Records and Exemption Waiver requirements from the Wyoming Department of Health. If your state has other vaccine schedule guidelines, please note the vaccine schedule information below.

**Wyoming/CDC Vaccine Schedule:** The Wyoming Department of Health follows the [CDC Vaccine Schedule](#) with the exception of Covid and Influenza vaccine's (WY recommended, but not required annually).

If your child's Immunization Records are not current with the CDC vaccine schedule, we will be unable to enroll your child until we have received either a current copy that's in compliance, or the approved and signed Wyoming Medical or Religious Exemption Waivers.

### **Wyoming Medical or Religious Exemption Waivers (for in or out-of-state families):**

Wyoming Department of Health does require our licensed childcare facility to receive approved Wyoming Waivers for Medical or Religious exemption. The website page with the information is [Mandatory Vaccines and Waivers - Wyoming Department of Health](#) and the waiver forms are listed at the end of the website page. After you and your child's physician fill out the Medical Waiver Request, or you fill out the Religious Waiver Request you can email it to the Wyoming State Health Officer address listed at the top of the form. Once the approved waiver determination is sent back to you, please email us ahead of time to print your child's files.

Please note that the Wyoming Department of Health is not open on Weekends/Holidays. We highly recommend submitting Waiver requests or questions to them ahead of time, so you will have the approved/completed forms needed for your child's daycare enrollment.

If you have any other questions, please email us at [daycare@grandtarghee.com](mailto:daycare@grandtarghee.com) and we would be happy to help answer!
