SPOTLIGHTS

“In all my years at Targhee, this is the strongest office team I’ve had the pleasure of working with. They are self-sufficient, responsible, and consistently communicate effectively with both our supervisor team and instructor staff. Their organization, professionalism, and positive attitudes directly influence the quality of our operation and create a seamless experience for our guests. Because of their efforts behind the scenes, our guests receive timely information, smooth scheduling, and the welcoming, high-quality service that defines the Targhee vibe.

I truly appreciate all that they do and would love to see them recognized.” - Hunter Heuman

“I wanted to shout out the housekeeping department. They have been killing it this season and are always quick to help with any guest's needs.

Very Specifically Alex and Emily in the housekeeping department.

I witness them interact with guest while tending to the bathrooms etc .. And they are just so pleasant and happy. They go out of their way to say hello to us, guest or other staff all while providing top notch service around the resort.

It is just so cool to witness and see that level of hospitality and customer service.” - Colleen McManus
